SYSTEM OVERVIEW

The Academy is a web-based learning tool that offers a library of more than 8,000 vocational skills, job readiness, motivational, and adult education courses. RWS developed The Academy in response to the need for offering personalized skills training and remedial education in an easy-to-use service tool accessible from any internet-connected computer.

The skill enhancement curriculum results from our collaboration with Skillsoft, a pioneer in the field of

learning with a long history of innovation. Skillsoft provides learning solutions for customers worldwide in various industry sectors. The courses have been developed by industry-leading experts to ensure the courses build talent and develop a more knowledgeable, productive, and valuable workforce. The Academy is available 24/7 from anywhere with internet access and offered through scheduled cohort workshops.
